

approach

INDEX

July 1959
through
June 1960

Administration, Supervision	Issue	Page
Won't Hurt a Bit (Changes to AAR reporting)	Jul 59	2
Carelessness (Charging accidents to "carelessness")	Sep 59	39
The World Series of Naval Aviation (Safety award winners & nominees)	Oct 59	4
Information Please (Familiarization with the Material Reliability Program)	Nov 59	4
Applied Mathemagics (Misuse of accident statistics)	Mar 60	8
Speak Up (Accident investigation)	Mar 60	10
Safety of Flight Messages (Accounting system for)	Apr 60	21
Man Overboard (Coordination of flight deck operations)	May 60	38
Tempo (Hurrying as related to job hindrance and accidents)	Jun 60	13

Aero-Medical Aspects

Hypoxia	Jul 59	30
Hyperventilation vs. Hypoxia	Jul 59	35
Two Eyes in Vision (Visual limitations)	Sep 59	24
Bubbles, Blowouts and Bends (Dysbarism)	Oct 59	20
Night Takeoff Trouble (Pilot sensory illusion)	Nov 59	15

Air Break (Hazards from unseating of exhalation valve in oxygen mask)	May 60	30
Bushed Pilot (Discussion of major types of human fatigue)	Jun 60	3
Fatigue in Aircraft Operations	Jun 60	8
Just Call Me Lucky (Vertigo experiences of AD pilot)	Jun 60	10

Ditchings

Two Down (HUP-2 ditching following engine failure)	Oct 59	36
By the Deep, Fifty (A4D ditching during carrier launching)	Mar 60	24

Ejections and Parachuting

The Way Down (Experience of A3D crewman after bailout)	Sep 59	8
Fire Two (NA rocket seat in T2J)	Nov 59	32
Automatic Response (Ejection & bailout procedure indoctrination)	Dec 59	32
Over and Out (Account of F4D-1 pilot's descent to water)	Jan 60	24
Good Riddance (Integrated torso harness check-out)	Jan 60	33
Ejection from TV-2	Feb 60	32
Rocket Assist Personnel Ejection	Mar 60	28
Catapult		
Wild Ride (Detailed account of F8U pilot's nine-mile descent through violent thunderstorm after ejection)	May 60	38
D-Ring Circus (Integrated parachute harness release procedures)	Jun 60	24

Facilities

Guys & Gulls (Bird hazards)	Jul 59	24
Emergency Landings on Foamed Runways	Feb 60	2

Maintenance

Trouble Topsides (Forklift aircraft accidents)	Jul 59	36
The First Ten (First ten-hour engine treatment)	Aug 59	4
Pre-Oiling (Prolonging aircraft engine life)	Aug 59	38
The High Cost of FOD	Sep 59	40
Meanwhile, Out on the Ramp (Monthly maintenance review)	Oct 59	38
